

**2010 Ute Cup 39th annual
San Isabel Colorado
August 21st & 22nd**

This event is being held under a special use permit issued by the US Forest Service.

The RMTA works in cooperation with The US Forest Service to maintain trails in this area.

The Ute Cup is a trials/endurance event. It is a 2-day event and each day has a separate loop. Each loop is 15+ miles long with 20 sections. The loops will be ridden twice each day. The sections are set at the upper intermediate to lower advanced level. All competitors should be intermediate riders and up.

The Ute Cup is a 2-day event and the lowest score for both days will determine the Ute Cup winner.

Awards will be given to:

Ute Cup winner

Top rider each day

Top out of state rider (unless they are the Ute Cup Winner)

Top 40% of finishers for both days

Top RMTA class winners Intermediate - Pro

Top woman rider

Top senior riders age 35-39, 40-49 & 50+

Top 3 RMTA teams

Top 3 senior teams age 40+

Top 3 Visiting teams

Top 3 sponsored teams

All finishers will get a finishers pin.

The competition is limited to 100 competitors. Only the first 100 entries will be accepted.

All bikes must have USDA approved spark arrestors.

Colorado OHV permits are required. Go to the following site to get one.

<http://parks.state.co.us/OHVsandSnowmobiles/OHVProgram/OHVRegistrations/Pages/OHVRegistrations.aspx>

All bikes must arrive clean. There will be an inspection to insure bikes are not carrying noxious weeds or mussels in dirt and mud on bikes.

Cost is \$50.00/rider. Entries must arrive before August 6th. A late fee of \$20.00 there after if we do not have 100 riders at that time.

There is a \$10.00 charge/team for riding on teams that will be collected at the event.

All participants must make their own lodging/camping arrangements.

There is no open camping.

We have a group camp site that can accommodate 40 people at the Spruce campground at the trials site and another 8 reserved at the St Charles campground. They are first come first serve so get your entry and reservation in early.
